KEY

ppm = pages per minute
 PEDOD = Piezoelectric Drop on Demand
 TDOD = Thermal Drop on Demand
 CIJ = Continuous Inkjet
 K = Thousand
 M = Million

P = Pigment
 A = Aqueous
 D = Dye
 L = Latex
 UVC = UV Curable
 NANO = Nanography

WBNPP = WB Nano-Particulate Pigment
 WBD = Water-Based Dye
 OBP = Oil-Based Pigment
 PA = Pigmented Aqueous

Run. Crease. Cut.
Done.

Deliver specialty print jobs, unique packaging solutions, intricate cutouts and more — all on demand.

Find out how Komori's Impremia IS29 and the Highcon Euclid III can help you capture more market share. Visit komori-america.us or call us today at **847-806-9000**.
